

Important Web Browser Setting CUAlerts, eDocuments, eStatements

In order to sign up, view, and utilize Directions' CUAlerts, eDocuments – eStatements & eNotices(Letters), you may want to verify your web browser setting. It must be set to “Override automatic cookie handling”, “Accept First-party and Third-party Cookies”. If your browser is *not enabled* to this setting, **you will most likely receive this error:**

System Information - “You are not authorized to use this system”.

You can make this change by doing the following:

- Within the web browser go to and *click*:
 - **Tools**
 - **Internet Options**
 - **Privacy Tab**
 - **Advanced button (The box should look like the following.)**

- **Enable “Override Automatic Cookie Handling”**
- **“Accept” First-party Cookies and Third-party Cookies**
- **Click “OK”**
